The Mercer County Sheriff's Office has been informed that there is a rumor circulating in the Fort Recovery area about a hazing incident that allegedly occurred in Findlay, OH several years ago.

In 2007, the information that was received by the Mercer County Sheriff's Office regarding this rumor was turned over to the Hancock County Sheriff's Office. The alleged victims have never confirmed the hazing incident to the Mercer County Sheriff's Office or the Hancock County Sheriff's Office. If there are actual victims of this incident who wish to report it now, the Mercer County Sheriff's Office encourages them to report the incident to the law enforcement agency in the jurisdiction where the incident occurred.

The Mercer County Sheriff's Office would like to remind citizens, that anytime our office receives information about a possible crime in another jurisdiction, the information is turned over to the Sheriff's Office with jurisdiction.
