Dear Sir or Madam:

On November 8, 2018, we received your open records request to inspect/receive copies of
Any/ all complaints, reports, audio or video on Jarred Springer from 1/1/2013.

After reviewing the request, this Office is unable to provide you with either all or part of the requested record(s). The basis for this denial is:

- No such record(s) exists.
- This office does not maintain record(s) responsive to your request.
- Additional information is needed to identify the requested record(s):

X The following law (citation and brief description why access denied):

The Ohio Public Records Act-Special Topics – Uncharged suspect which is inextricably intertwined with the suspect's identity that redacting will fail to protect the person's identity.

If you have any additional questions please contact our office.

Sincerely,

Sue Rindler
